2022 Ram 1500 REBEL

Dealer's Message

Leather Seats, Night Edition, Premium Audio, Uconnect, Tubular Side Steps!

 Make light work of tough jobs with exceptional towing, torque and payload capability.

The 2022 Ram 1500 does more than dominate the North American truck scene, it redefines. The Ram 1500 delivers power and performance everywhere you need it, with a tech-forward cabin that is all about comfort and convenience. Loaded with best-in-class features, it's easy to see why the Ram 1500 is so popular. With the most towing and hauling capability in a Ram 1500, as well as improved efficiency and exceptional capability, this truck has the grit to take on any task.

This hydro blue pearl Crew Cab 4X4 pickup has an automatic transmission and is powered by a 5.7L V8 16V MPFI OHV engine. Motivated by that strapping motor it gets 16.1 L/100 km in the city and 11.0 L/100 km out on the highway according to Transport Canada.

Our 1500's trim level is Rebel. Stepping up to this menacing Ram 1500 Rebel is a great choice as it comes packed with unique aluminum wheels, a performance off-road suspension, a leather steering wheel, LED lights, a power rear window and a larger Uconnect touchscreen that's bundled with Apple CarPlay, Android Auto, SiriusXM and streaming audio. It's rebellious nature continues with black-out exterior accents, power folding heated mirrors, a rear step bumper, forward collision warning with active braking, hill decent control, skid plates, proximity keyless entry, a useful rear view camera, towing equipment plus so much more. This vehicle has been upgraded with the following features: Leather Seats, Night Edition, Premium Audio, Uconnect, Tubular Side Steps.
